

Plainfield East 5 Team Meet

The Lady Reapers had a lot of positives in their second consecutive night of competition to start off the 2012 campaign. Facing schools such as Neaqua Valley, Plainfield East, Oswego East, and Plainfield North, the competition level was solid and pushed the young Reapers squad, showing what 3A competition is like.

Overall, times were slower than Tuesday night, however there were improvements and bright spots in the meet.

Vanessa Gomez placed 8th in shot put but added a few inches to her previous mark, finishing the night at 29' 7.5". Equally impressive was her younger sister Jessica, who finished 3rd in JV in her first meet of her life, throwing 25' 6".

Alexis Smith improved her triple jump to 32' 4.5" finishing 4th and Ijeoma Agomo increased her high jump to 4'5".

In sprints, the 4x200 relay of Tachae Miles, Zhate Jackson, Natasha Green and Alexis Smith finished 3rd, Tachae finished 3rd in the 55 and Zhate finished 2nd in the 200. Hannah Deblois also finished 4th in the JV Heat.

The Lady Reapers will have a week off from competition and resume their quest to qualify competitors to the Illinois Top Times Meet (Indoor State) in late March at the indoor I-8 Conference meet at Reed-Custer on March 17th.
