Coach's Comments:

This was our best performance against Peotone to date. Peotone always finishes high in the conference and we knew they would be a good team. Last year we lost 0-7. Tonight we played a lot of defense, but we did have our chances as well. Unfortunately we could place one in the net, but I was pleased with our performance. We marked well on defense, held our shape and distributed the ball well on offense. We will take this game a positive for us because we were able to play with this team and performed very well.
