Plano (Visitor) vs. Yorkville (Home)

	Score:	1 st half	2 nd half
Plano	1	0	1
Yorkville	4	3	1

Yorkville was a very skilled team and it was a tough match today. After playing Sandwich and Coal City earlier in the week, Yorkville played a much faster paced game and it took us a while to adjust to that speed. We did struggle a little on defending as a team after a turnover which cost us a few goals. However, the second half we made some adjustments and played much better. Hopefully this game gets us ready for a difficult upcoming week.
