Comments:

Overall I would say this was a very positive game for us. We knew coming into this match that Herscher was at the top of the conference. We played very well. We did let up two goals in the first half, in the last 8 minutes of the half. Those goals were silly mistakes on our part. Their 3<sup>rd</sup> goal came early in the second half from a penalty kick. We never knew who the foul was on or what the penalty was, but sometimes you just are unlucky. After that, we played Herscher to an equal possession game. It was very impressive to see us be able to play stride for stride with this team. I think it is a testament to our team and the progress that we have made this season.
