## Coach's Comments:

Our guys played pretty well tonight. This was the best performance Plano has ever had against Lisle. We are used to losing by seven or eight, but tonight we played hard and stayed with them for most of the game. This was not our best game of the season, but we played well. We had troubles passing accurately and settling the ball. We also had some bad luck. Two of our shots by Moy and Jose hit the post.

Mike McGee in goal had 15 saves in the match.
