Coach's Comments and Highlights:

This was our last conference game of the season. After suffering a 0-7 loss last night against Peotone, I really tried to get our guys mentally reset and ready to play today. Offensively we looked strong the entire game, which has not always been the case. I told the boys I wanted to see 3 goals in the first half. They accomplished it. We struggled a little defensively today, giving Reed Custer more chances than I would have liked. This was a much needed win as we prepare for the last two games of regular season and then Hinkley in the post season. This game, I hope, refocused us and helped us remember what our strengths are.

Petey Hoti had 4 shots and 2 goals scored
