Coach's Comments and Highlights:

Season Opener. I was very pleased with being able to have a solid win with our first match. We have been working on holding possession more this preseason and building plays. We are able to hold most of the possession today and had many shots. The game did show us a few things we need to work on in order to be ready for the Somonauk Tourney on Saturday, but it was a great season starter. Guys are excited to see their hard work pay off right away.
